May / June 2012

There were 28 residential burglaries during the month of May, with 0 occurring at an active Block Watch residence. And – there were 26 residential burglaries during the month of June, with 0 occurring at an active Block Watch residence.

Join us Tuesday, August 7, 2012, as the City of Renton hosts National Night Out at Heritage Park, 223 Union Avenue NE in Renton. There will be food, games, and fun party hoppers for the kids. Check out the City's website for more information on this fun event: www.rentonwa.gov.

This year, citizens are also invited to join us in our efforts to **Give Crime & Drugs a Going Away Party** by hosting their own special event such as a BBQ, neighborhood block party, ice cream social or youth activity in their neighborhood. From 6 p.m. to 9 p.m., on August 7th, residents in neighborhoods throughout Renton and across the nation are asked to lock their doors, turn on outside lights, and spend the evening outside with neighbors. To register your neighborhood event, please contact NNO Coordinator Cyndie Parks at (425) 430-7521 or email cparks@rentonwa.gov. (The city makes every effort to make an appearance at every function, but remember: first come, first served.)

National Night Out is designed to: Heighten crime and drug prevention awareness; generate support for, and participation in, local anticrime efforts; strengthen neighborhood spirit and police-community partnerships; and send a message to criminals letting them know neighborhoods are organized and fighting back!

National Night Out also showcases the vital importance of police-community partnerships and citizen involvement in our fight to build a safer nation

Burglars Using Your Own Garage Door Opener

We've had several residential burglaries where a vehicle that was parked in a homeowner's driveway, at the theater, grocery store, or at the local park/trailhead was broken into and the garage door opener and vehicle registration were stolen. The burglar(s) then drove to the victim's home and burglarized their residence.

Unfortunately, the days of leaving our garage door opener inside our vehicle has come and gone. Your vehicle can be broken into at any time, anywhere, any place. Leaving the opener and registration in obvious locations inside your vehicle is not recommended. I keep both in my purse.

Foregoing that option, *at least*, place them in an inconvenient location inside your vehicle in the event your vehicle is broken into. It would be horrible to not only find your car damaged when you come back to it, but then to go home and find your home has been breached as well would certainly compound your heartbreak.

Burglars are also hoping that homeowners will leave the door leading from the garage into their home unlocked, or at minimum, not as secured as their front door. This door should not only be kept locked, but have a deadbolt installed, as well.

As a whole, we tend to make things too convenient for criminals to target us for crimes. The objective is to take the comfort level and convenience away from the criminal. Although this can mean conveniences for ourselves may be sacrificed, at least you will have more peace of mind knowing that we've done what we can to protect ourselves, our property, and our families.
